

Dionysos

General

The stole is done in entrelac

Reading the charts and the scheme

Even rows are not in the charts (except chart C).

Even rows: **purl** (except Chart C and H).

The key is in the chart.

Every chart is composed with 32 stitches and 32 rows.

The shading in the scheme show the direction of knitting.

The first or the last stitch is either a border stitch or is knit with a stitch of the square of the previous tier together.

Cast on, first square and second tier of square

Cast on 32 stitches, turn, purl, choose a chart, knit chart until row 31

After finishing these chart cast on 32 stitches fasten to the last stitch

turn, purl, choose a chart and knit the chart

thereby knit the first stitch of odd rows and last stitch of even rows

together with one stitch of the previous square

After finishing the chart pick up 32 stitches from the border stitches of the previous square

turn, purl, knit any chart until row 31.

3th and every uneven tier of squares

Right trinagel

Cast on 2 stitches fasten to the last stitch of the previous square.

These 2 stitches and 2 stitches of the previous square = 1st row of right triangel

Knit right triangel

thereby knit the first stitch of odd rows and last stitch of even rows

together with one stitch of the previous square

Square

Pick up 32 stitches from the border stitches of the previous square

knit any chart thereby knit the first stitch of odd rows and last stitch of even rows

together with one stitch of the previous square.

Left triangel

Pick up 32 stitches from the border stitches of the previous square and knit chat left triangel

4th and every even tier of squares

Pick up 31 stitches from the border stitches of the previous square plus the last stitch of the left triangle

knit any chart thereby knit the first stitch of odd rows and last stitch of even rows together with one stitch of the previous square.

Pick up 32 stitches from the border stitches of the previous square

knit any chart thereby knit the first stitch of odd rows and last stitch of even rows together with one stitch of the previous square.

Knit all further tiers as described.

Take a look to the scheme

Bind off the square before last, knit the last square, do not bind off.

Finishing

Cast on 4 stitches and knit a lcord all around the border.
